

Site Acquisition Specialist

Why choose us?

It's an exciting time to be part of our team. We are a fast-growing, privately held company that has been in business for 25 years. We accomplish our mission with a team who works collaboratively on meaningful, impactful projects for our clients. We empower our employees to work in the smartest, most efficient ways to achieve total balance between the demands of their jobs and their lives. That's why we give you the autonomy and support you need to work in the way that makes you most productive, agile, confident and insightful. We strive to listen to our clients, partner with them as a team, and accept their goals as our own.

About the role:

Broadus Services is looking for a Site Acquisition Specialist to join our team. The Site Acquisition Specialist will be responsible for site visits and designs for new and/or upgrades to existing wireless sites. This position interfaces with the site acquisition PM, A&E, and permitting.

What you will be doing:

- Contact property owners to schedule site design visits
- Visit the site to determine desired location on the property for the site
- Complete a site walk checklist and site plan to include photos and measurements of the desired site location

About you:

Ideal candidates will have a high attention to detail, and exceptional organization skills. You will also have a background in construction needs regarding easements, utilities, and other obstacles.

Qualifications:

- High school diploma
- 5+ years of experience in wireless industry

Employment Type:

- Part time
- 50% remote, 50% travel
- Contract
- Paid per site completed
